TRAVEL DATES: MAY 2 - 9, 2024

In a land far away, nestled in a high Andean Valley in the Salta province of northern Argentina lies Cafayate, a place like no other. It was the last bastion of Incan culture in the 16th Century, and after hundreds of years as a rural agricultural outpost, it is emerging as a new frontier for sensational wines, gastronomy and adventure travel.

The red rock gorges and outcrops nearby provide a jaw-dropping canvas for hiking, cycling and horseback riding. Authentic, traditional cuisine is being elevated to a fine art. At 1800 metres above sea level, the vineyards are the highest in the world, the altitude and luminosity infusing beautiful freshness and purity.

Your adventure will begin in Salta staying for one night at the locally owned, five-star Alejandro I Hotel. Here you will experience Salta's historic centre, a UNESCO World Heritage Site, as you stroll down cobblestone streets lined with colonial-style buildings to La Vieja Estacion for the welcome reception, dinner and first concert! It will be a lively, authentic cultural celebration of food, music and dance!

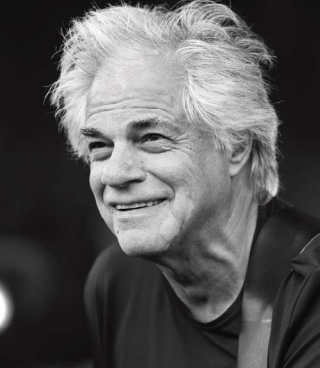

Then, one of those KP trip goosebump moments - enjoy a five-star lunch at the Relais & Chateaux century-old estancia, House of

Jasmines, the former family estate of Oscar winner Robert Duvall! Located at the foot of the Andes, here the Fenestraz family will demonstrate the true art of hospitality as they wow you with a truly elevated experience of traditional Argentine gastronomy.

You will then journey on to one of northern Argentina's most seductive destinations, Cafayate! Here you will stay for six nights at the five-star Hotel Grace, part of an extensive, gated estate centred on the longest, championship golf course in South America! It has attracted celebrities like Tom Cruise, Tom Hanks and Sandra Bullock, plus the elite of Argentina's performing artists who own properties here.

There will be many memorable moments including exploring the vibrant town of Cafayate, experiencing the excellent wineries and food scene and enjoying performances by our star-studded lineup of musicians!

To add to your once-in-a-lifetime experience, Canada's only chef to have won the Canadian Culinary Championship twice, Marc Lepine of Atelier fame will weave his magic, working with local resources and talent to create an elevated food experience for you throughout the week.

“ Everything about these trips - the food, music, wine, and people - is just magical. Any KP trip is a complete five-sense, five-star experience unlike anything we’ve ever experienced elsewhere.
