OUR MISSION

To ensure Canadian youth have equitable access to healthy food, sport opportunities and music education

We have an 18-year history and have contributed 18.5 million!

OUR IMPACT

MUSIC: KP supports [MusiCounts](#). We help them break down the barriers children face when accessing music education. [Link here](#) for a list of schools provincially and nationally.

SPORT: KP supports [SpiritNorth](#) – We know that through the transformative power of their programs, youth become leaders, achieve academic success and become vibrant, engaged members of their communities.

FOOD: KP supports local food charities for youth. In each city the raffle proceeds will be directed to a local grassroots organization that ensures children and teenagers learn to confidently grow, prepare and cook healthy food.

In addition, KP supports the next generation of food leaders by partnering with culinary schools and colleges.
